The poor and brokenhearted of Eretz Yisroel need our help. As the economic situation deteriorates and the cutbacks continue, their financial burden is overwhelming. It is incumbent upon us to respond with an open, gracious hand to relieve their suffering.

Torah Umesorah has set up a special fund for Aniyei Eretz Yisroel (the needy of the Land of Israel). All funds raised through this effort will be distributed under my guidance directly to those in need in Eretz Yisroel.

I encourage you to give most generously to the Torah Umesorah Aniyim Fund.

May our *tefillos* be accepted by the *Shomea Tefilla* and may we be *zoche* to the *geula sheleima b'karov*.
