ABOUT THE REGESH NETWORK:

HaRav Yehuda Jacobs זצ"ל, Mashgiach in Beis Medrash Govoha, established The Regesh Network together with local Askanim. Their goal was that every boy and girl facing obstacles too difficult to overcome on their own would have somewhere to turn for a supportive, listening ear.

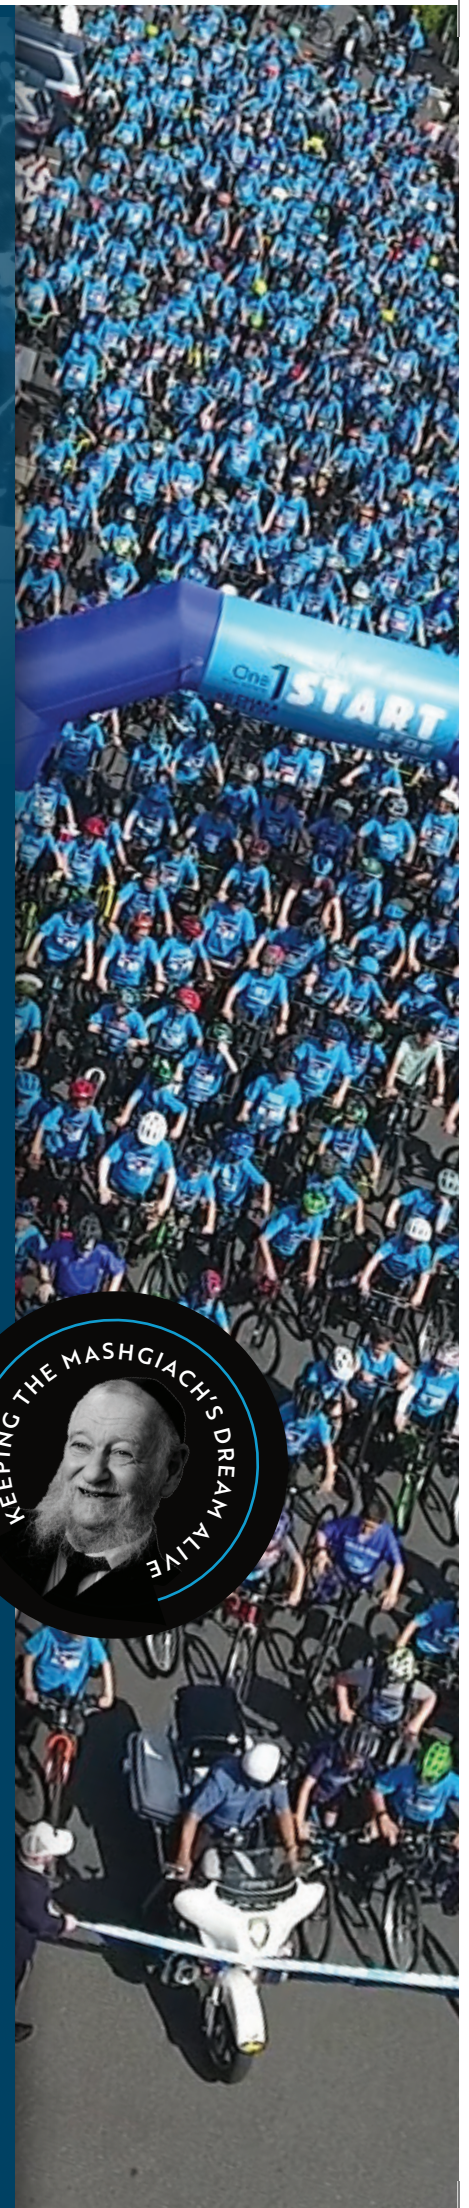

Regesh is completely anonymous, so callers can feel comfortable working through whatever challenges they may be facing. The Mashgiach זצ"ל actively encouraged the Ride4Regesh program.

By joining this ride you will be directly helping boys and girls in need.

Tizku Lemitzvos!

Ride4Regesh Coordinators,

Rabbi Meyer Tesler Rabbi Naftali Stern Rabbi Yudi Altusky
