The poor and brokenhearted need our help. As the economic situation deteriorates and the cutbacks continue, their financial burden is overwhelming. It is incumbent upon us to respond with an open, gracious hand to relieve their suffering.

Torah Umesorah has set up a special fund for *Aniyim* (the needy). All proceeds raised through this effort will be distributed under my guidance to *Aniyim* (the needy) both in and outside of Eretz Yisrael.

I encourage you to give most generously to the Torah Umesorah Aniyim Fund.

May our *tefillos* be accepted by the *Shomea Tefilla* and may we be *zoche* to the *geula sheleima b'karov*.
