See You There!

Our Mission

Thirty years ago, the Be'er Miriam Tzipporah Hachnosas Kallah Fund was founded on a single idea: a kallah's simcha is a community simcha. For three decades, we have transformed that idea into action.

Each kallah is unique – with her own vision, her own story. We provide the support needed to ensure that her experience from engagement to chuppah is defined by joy, dignity, and anticipation as she steps confidently into the future.

The auction is more than just a fundraiser; it unites the donors, volunteers, and students who make our mission a reality. The stakes are high: this event accounts for 85% of our operating budget, and its success allows us to say 'YES' to every kallah with conviction.

Your ticket has power – it invests in the next generation of families in the Five Towns and Far Rockaway.

Thank you for making this possible.
