# OUR DAUGHTER MIRIAM TZIPORAH ע"ה

It was Chanukah. ב"ה I listened to the hubbub of children playing, running, joyous shrieks, babies crying, and young mothers and fathers soothing kids, schmoozing together, and working on food preparation. I paused to reflect that ב"ה all this beautiful noise was הקב"ה's gift and the blessings the עולם bestowed on me.

My Miriam ע"ה is never far from my thoughts, for she is one of the greatest blessings of all. Her strength of character was challenging as she was growing up, and then, maturing into a beautiful young lady, she channeled all the strength into Torah—true convictions and life style of tremendous כונה in her תפילות, enormous belief in Shmiras Halashon, and a Kesher with her Creator that was unshakable.

The pain of losing her was so indescribable; 20 years later it leaves a lingering, recurring depression despite reaching for בטחון on a continuous basis. It became my lifelong challenge — and goal — to find my daughter within myself: her אמונה, her connection to הקב"ה, her love for me, and her love for Klal Yisrael. Miriam said that הקב"ה custom designs a person's life exactly for them.

Would I — had I been given a choice — passed up the opportunity of having this child, together with the terrible pain of “losing” her? (By-the-way, there is no such thing as losing a child. The fact that it seems so is one of the delusions of this Olam Hasheker.) Of course not. My custom—designed life included the tremendous זכות to have been my daughter's gateway into the world, where she achieved the highest score! She is one of the greatest blessings in my life, a complete gift from הקב"ה. Whenever I think of her, I understand His love for me.

The noise and tarraram on Chanukah, with all of us gathered, is the sound of Miriam's circle. We are her circle. And she is our center.

Love and Hakaras HaTov to MSHS—TAG and the Far Rockaway + Five Towns communities.

**SHALOM U'VROCHOH. I HOPE THIS LETTER  
FINDS YOU AND YOURS IN GOOD HEALTH.**

Baruch Hashem, my daughter and son-in-law's vort, chasunah, and Shabbos Sheva Brachos were beautiful and simchadik in every aspect; and you and the benefactors played a significant role in helping us to enjoy the simcha. As you know, for a variety of reasons, this simcha cost us significantly more than our previous simcha, and we were sideswiped by the unexpected expenses. Every day brought new expenses for which we would have needed to go even further into debt by borrowing from our home equity line of credit. Since my wife and I are both employed by mosdos, paying up such large amounts in a timely fashion is not so likely, and we would likely have had to carry the debt for many years or decades. Simply being aware of that likely scenario exacerbated our stress level at each new expense that materialized, and created the risk of marring the simcha.

You and the benefactors put a completely different spin on the entire simcha. Knowing that our expenses would be covered allowed us to take our minds off the financial aspects and focus on the needs of the kallah, choson, our families, and our guests. We walked into the chasunah and Shabbos sheva brachos looking forward to the simcha.

The chesed you have all performed is immeasurable. May Hashem bentch you all with many simchos in your own families, and the means to enjoy them and to continue helping others with theirs.

Very gratefully,

**PLEASE NOTE:** All drawings are final. Gifts are not exchangeable. Drawing will be held on Sunday, May 22, 2022. Winners will be notified on the night of the auction drawing and will be listed on our website [www.beer-miriam.org](http://www.beer-miriam.org) on Monday, May 23, 2022. All prizes must be claimed by Tuesday, May 24, 2022. Be'er Miriam Tziporah Hachnosas Kallah Fund assumes no responsibility for prizes not claimed or collected by Friday, August 8, 2020, nor for the kashrus of any prize, product, or service offered in this Chinese Auction booklet. We have made every effort to represent prizes as accurately as possible, but in some cases, pictures presented are representative only. All warranties/guarantees are the responsibility of the manufacturer alone. Winner is responsible for delivery and/or shipping charges. Tickets ordered after the auction will be considered a charitable donation to Be'er Miriam Tziporah Hachnosas Kallah Fund. All taxes or fees are the sole responsibility of the winners, unless otherwise noted. **IMPORTANT HALACHIC NOTE:** According to most poskim (authorities of Jewish law), even a single ticket inappropriately placed (or left out of) a raffle or auction may render the entire drawing invalid. Therefore, the only feasible way to conduct a large public auction is to rely on that fact that all donors participate with the understanding that they are relying on the good faith efforts of the sponsoring organization to do all they can to maintain the security and integrity of the event. Should an inappropriate ticket slip by (or a paid ticket be omitted), the donors have accepted this possibility and release the sponsoring charity and the prize winners of any claim. Please be assured that we have been, and will continue to be, as vigilant as possible to prevent this from happening. Nonetheless, we do ask for your understanding for anything that did, or in the future might, slip by.
