Our Mission

באר מרים צפורה

Be'er Miriam
Tziporah

The Five Towns and Far Rockaway community is currently inundated with newly engaged couples that need your support. Costs of living are astronomical. Inflation has impacted the pricing of food, clothing, rent, transportation, and every area of our current society. We are asking for your help now more than ever.

The Be'er Miriam Tzipporah Hachnosas Kallah Fund assists kallahs in every expense of their journey, including funding the wedding (hall, caterer, photographer, flowers, and music) to providing essentials for the sheva brachos (dresses and wig) to purchasing home basics (furniture, linen, and kitchen supplies).

We step up because that's what we, as a community, do for the Klal.

Please help us continue our mission in providing the best investment one can make for another: building a future.

All of Hashem's children are YOUR children. Their roots have been firmly planted. Now finish that last step by enabling them to blossom.

Now is the greatest time of achdus that the Jewish people have ever known. Together, with the Be'er Miriam Tzipporah Hachnosas Kallah Fund, let's unite in Klal Yisrael's future by supporting chossonim and kallos, both in Far Rockaway and the Five Towns AND in Eretz Yisrael.

After October 7th, we expanded our mission to include the orphan - kallahs in Eretz Yisroel. It is our goal and wish to match every prize at this year's Chinese Auction with a gift to an orphan kallah in Eretz Yisroel.

Our sages teach us: "That one who takes concern in marrying off orphans is credited with giving Tzedakah every day of his or her life...." (Kesubas: 50A)

Looking forward to greeting you at the auction on May 26, 2024,

The Be'er Miriam Tziporah team

Be'er Miriam Tziporah

Hachnosas Kallah Fund is the only organization that offers direct financial assistance to offset the cost of weddings to local families in Far Rockaway and the Five Towns.

OUR DAUGHTER

Miriam Tziporah

It was Chanukah. Baruch Hashem I listened to the hubbub of children playing, running, joyous shrieks, babies crying, and young mothers and fathers soothing kids, schmoozing together, and working on food preparation. I paused to reflect that Baruch Hashem all this beautiful noise was Hashem's gift and the blessings the Ribono shel Olam bestowed on me.

My Miriam מִרְיָם is never far from my thoughts, for she is one of the greatest blessings of all. Her strength of character was challenging as she was growing up, and then, maturing into a beautiful young lady, she channeled all the strength into Torah-true convictions and life style of tremendous kavanah in her tefilos, enormous belief in Shmiras Halashon, and a Keshar with her Creator that was unshakable.

The pain of losing her was so indescribable; twenty years later it leaves a lingering, recurring depression despite reaching for Bitachon on a continuous basis. It became my lifelong challenge — and goal — to find my daughter within myself: her Emunah, her connection to Hashem, her love for me, and her love for Klal Yisrael. Miriam said that Hashem custom designs a person's life exactly for them.

Would I — had I been given a choice — passed up the opportunity of having this child, together with the terrible pain of “losing” her? (By-the-way, there is no such thing as losing a child. The fact that it seems so is one of the delusions of this Olam Hasheker.) Of course not. My custom-designed life included the tremendous zchus to have been my daughter's gateway into the world, where she achieved the highest score! She is one of the greatest blessings in my life, a complete gift from Hashem. Whenever I think of her, I understand His love for me.

The noise and tarraram on Chanukah, with all of us gathered, is the sound of Miriam's circle.

We are her circle. And she is our center.

Love and Hakaros HaTov to MSHS—TAG and the Far Rockaway + Five Towns communities.

From the Adams

A collage of various US dollar bills, including \$100 and \$50 bills, is scattered across the background. The bills are partially overlapping and slightly crumpled. In the center, there is a white, rounded rectangular label with a thin black border. Inside this label, the text "\$54" is written in a large, bold, black serif font, and the word "Prize" is written below it in a black cursive script font.

A BE'ER MIRIAM STORY

I hope this letter finds you and yours in good health.

Baruch Hashem, my daughter and son-in-law's vort, chasunah, and Shabbos Sheva Brachos were beautiful and simchadik in every aspect; and you and the benefactors played a significant role in helping us to enjoy the simcha. As you know, for a variety of reasons, this simcha cost us significantly more than our previous simcha, and we were sideswiped by the unexpected expenses. Every day brought new expenses for which we would have needed to go even further into debt by borrowing from our home equity line of credit. Since my wife and I are both employed by mosdos, paying up such large amounts in a timely fashion is not so likely, and we would likely have had to carry the debt for many years or decades. Simply being aware of that likely scenario exacerbated our stress level at each new expense that materialized, and created the risk of marring the simcha.

You and the benefactors put a completely different spin on the entire simcha. Knowing that our expenses would be covered allowed us to take our minds off the financial aspects and focus on the needs of the kallah, choson, our families, and our guests. We walked into the chasunah and Shabbos sheva brachos looking forward to the simcha.

The chesed you have all performed is immeasurable. May Hashem bentch you all with many simchos in your own families, and the means to enjoy them and to continue helping others with theirs.

Very gratefully,
Anonymous

PLEASE NOTE: All drawings are final. Gifts are not exchangeable. Drawing will be held on Sunday, May 26, 2024. Winners will be notified on the night of the auction drawing and will be listed on our website www.rayze.it/beerauction/ on Monday, May 27, 2024. All prizes must be claimed by Tuesday, May 28, 2024. Be'er Miriam Tziporah Hachnosas Kallah Fund assumes no responsibility for prizes not claimed or collected by Tuesday, May 28, 2024 at 5:00pm, nor for the kashrus of any prize, product, or service offered in this Chinese Auction booklet. We have made every effort to represent prizes as accurately as possible, but in some cases, pictures presented are representative only. All warranties/guarantees are the responsibility of the manufacturer alone. Winner is responsible for delivery and/or shipping charges. Tickets ordered after the auction will be considered a charitable donation to Be'er Miriam Tziporah Hachnosas Kallah Fund. All taxes or fees are the sole responsibility of the winners, unless otherwise noted.

IMPORTANT HALACHIC NOTE: According to most poskim (authorities of Jewish law), even a single ticket inappropriately placed (or left out of) a raffle or auction may render the entire drawing invalid. Therefore, the only feasible way to conduct a large public auction is to rely on that fact that all donors participate with the understanding that they are relying on the good faith efforts of the sponsoring organization to do all they can to maintain the security and integrity of the event. Should an inappropriate ticket slip by (or a paid ticket be omitted), the donors have accepted this possibility and release the sponsoring charity and the prize winners of any claim. Please be assured that we have been, and will continue to be, as vigilant as possible to prevent this from happening. Nonetheless, we do ask for your understanding for anything that did, or in the future might, slip by.
