Everything is worse when you face it alone.

Our son Avi was the best kid in his class. At least he was — until he became sick. We watched as our precious child withered before our eyes. Which treatment should we pursue? How would we pay for it? Where should we turn?

As soon as we connected with Ezer Mizion, the overwhelming feeling of uncertainty was gone. They gave us the guidance — and answers — we needed.

Because of Ezer Mizion, Avi got his treatment and we got our menuchas hanefesh. Our son Avi used to be the sickest kid in the hospital ward. Today, once again, thanks to Ezer Mizion, he's the best kid in his class.

- Avi's parents
