**GUESTS OF HONOR
MR. & MRS. NACHMAN(NORMAN)
& RAIZY SHAFAR**

Nachman and Raizy Shafar have been longtime members and supporters of our synagogue and exemplify leadership in the Flatbush Park Jewish Center community. Nachman joined the Flatbush Park Jewish Center board over ten years ago as a trustee, and has served with distinction as Vice President and President for the last four years.

In this leadership role, Nachman works tirelessly and volunteers countless hours on behalf of Flatbush Park. Nachman's precision, attention to detail, and profound sense of fiduciary responsibility have been a blessing to our congregation. His responsibilities include ensuring success of the summer camp, arranging kiddushes, managing the relationship between FPJC and the yeshiva residing on the premises, and planning and execution of synagogue renovations. Nachman and Raizy have also spearheaded many successful programs including Friday night dinners and weekly ladies Tehillim.

The Shafars are the proud parents of three children: Andrew, Daniel and Giselle. As a family, they regularly attend Shabbos and Holiday services at Flatbush Park Jewish Center, where they also celebrated Andrew and Daniel's Bar Mitzvah and Giselle's baby naming.
