

AUCTION RUNS ON MASORES

To Benefit Keren Zechus — June 8, 2022

Dear Masores, עמר"ש,

Can we share with you some Masores history? About ten years ago, your principals, together with the G.O. Coordinator, planned a mini- Chinese Auction to raise money for tzedaka. Rabbi Gelman encouraged the venture, believing that Masores girls have tremendous power that can be used לשם שמים.

For whom should we raise the money? Which צדקה would be appropriate? We decided on KEREN ZECHUS, a tzedaka fund relatively small, but absolutely pure. We decided that every penny raised at the Auction must go straight to tzedaka. All overhead costs for the Auction would be covered by prior donations. The tzedaka fund itself would have no overhead expenses. Pure, direct...holy. The money would go to עוני ארץ ישראל for basic life expenses, for food, clothing, everyday electric bills, etc. The גבאי צדקה would be an absolutely trustworthy person, devoted wholeheartedly to easing the burdens of בני ישראל. In choosing Keren Zechus, we found a tzedaka that absolutely met those standards.

Hashem has truly blessed our efforts. Knowing as we do, that He wants us to be the conduit to bring relief to His precious children, recognizing that we are His messengers in this pure endeavor, we continue to be awed by the results of our Auction. From the first year's euphoria, when we dreamed of raising \$5,000 and counted \$17,500, to the anxiety filled pandemic year to last year, when the Auction's success was off the charts, we have been זוכה to see incredible סייעתא דשמיא. Year after year, Auction Heads marvel at the pieces that click together in unexpected ways. It is an awesome lesson for us, as a school, to experience the clear blessing of Hashem, to know, with absolute clarity, that WE ARE HIS PARTNERS, and He is with us.

So, now it's time for AUCTION RUNS ON MASORES תשפ"ב!! We must do our part! It's exciting, it's fun, it's an opportunity to win...and it's a chance to partner with Hashem in caring for His children. So spread the word, join forces, harness the special Masores power, and make this year's Auction the best it can be!

What a zechus!
