

TORAHUMESORAH

Celebrating 75 years of Torah Chinuch

ל"ח מנחם אב, תשע"ט

August 29, 2019

Instilling **יסודי אמונה** within our talmidim is an essential element in a Rabbi's lessons.

I am pleased to recommend a wonderful project, founded by Rabbi Yossi Weiss, in which many a talmid who has already participated, looks forward to every Rosh Chodesh. The video presentations, presented in a child-friendly manner, combined with the worksheet and raffle incentive, provide a successful framework within which to instill these fundamental values within the hearts and minds of talmidim.

HaRav Aharon Feldman שליט"א, Rosh Yeshivas Ner Yisroel, and a member of Torah Umesorah's Vaad Roshei Yeshiva, has deemed this project worthy to warmly endorse.

I encourage you to participate in the Rosh Chodesh Project. It is a worthy endeavor, a useful tool, in our mutual goal of educating talmidim to become **בני מאמינים**.

Sincerely,

Rabbi Dovid Nojowitz
National Director
