

Journeys

S C H I A U C T I O N 2 0 2 6

The journey begins quietly, full of promise.

The pure neshamos entrusted to us — our precious, special children — set forth on paths uniquely their own. They are unsullied, untainted, unblemished; travelers of the highest order. At SCHI, we know they are gifts, and what a privilege it is to journey beside them. We see the purity of their stride, the innocence of their quest, and the potential of their destination.

The maps are laid out; the compasses are set; the winds of progress are bursting with potency. There is unbridled love, tangible joy, and steadfast dedication. With *Siyata Dishmaya*, our incredible staff carry

them forward, powered by a depth of devotion that knows no bounds.

At SCHI, the horizon is boundless. No mountain is too high, no terrain too daunting. As with every great odyssey, a meaningful journey requires endurance and an unwavering belief in the mission.

Every SCHI staff member pours heart and soul into each pristine *neshama*. Together, we navigate the peaks and valleys, forging a unique and magnificent trail toward a future where every child will inspire and shine.

**We must always
thank Hashem
for all the good
that He constantly
does for us.**

How can we better offer gratitude to Hashem,
than to care for His precious children?
Join along the journey of hundreds of SCHI children,
enabling them to reach their potential.

B'ezras Hashem, you will be
Zocheh to tremendous Brachah and Hatzlachah.
