To Whom It May Concern:

This is to confirm that Rabbi Sender Gluck is a long time friend of mine, who is a recognized Talmid Chocham, and a true Yorei Shomayim.

During Adar, Rabbi Gluck is very involved in helping poor families. Rabbi Gluck is careful that Matanos L'Evyonim distributed through him is distributed al pi halacha. I contribute to Matanos L'Evyonim through Rabbi Gluck, and encourage others to do the same.

How wonderful the institution "VChai Achichu" is! It functions under the guidance of trustworthy volunteers and under the careful eye of my dear friend, an outstanding teacher of Torah, Rabbi Sender Gluck Shlit"a. This organization distributes generous sums of money throughout the year, but especially at Purim time. The collections of Purim season give us the opportunity to perform the Mitzvah of Matanos L'Evyonim to perfection. The funds are distributed to well known, worthy families, who, after careful investigation are found to be truly in need. Being that I personally know the director of this organization as a trustworthy, G-d fearing man, I feel that it is proper and commendable to join this great Mitzvah of supporting fine, honest, needy brothers and sisters. In merit of this joint effort, we look forward to our Father in heaven judging us favorably and sending us our global salvation which we so desperately need.

Dear Friends,

A word or two please, if I may, about a special friend and *mechutin* par excellence, Rav Sender Gluck, שליט"א. Rav Sender, since I've known him from way back does not engage in chesed;

He lives Chesed!

His organization "V'chai Achicho" is exactly what the name says it is. It lives, breathes, and churns out chesed. Albeit under the radar, this organization has been there for decades, aiding families in need and people in crisis.

As far as I know you are getting 100% pure Tzedaka, not from concentrate.

We all need *zchusim*, not just on Purim, but from Purim to Purim. Sounds like a great idea to partner month by month.

On-line donations can be set up at www.vchai.org.

Best wishes

Fishel Schachter
