### **Michael Noam** *(Deal, NJ)*

*"When I was searching for the right Yeshiva, several friends and Rebbeim recommended a chashuv Yeshiva in Monsey, New York, that they felt would be a perfect fit for me. I trusted their advice and decided to look into it.*

*When I arrived at Yeshivat Tiferet Torah a few months later, I came alone, not knowing where to begin. Even before I had the chance to ask for help, my Rebbe—Rabbi Degani shlita—approached me on his own, making sure I had everything I needed. The Rosh HaYeshiva, himself took a personal interest in ensuring I was settled and supported.*

*I am just one of many who can attest that this Yeshiva provides everything a bachur could possibly need—from day to day necessities, to an exceptionally high level of learning in all areas. The Yeshiva is blessed with top tier Rebbeim in Gemara, Halacha, Chumash, and even English studies. Beyond academics, we're taught how to navigate complex and challenging halachic situations with clarity and confidence.*

*I can truly say every talmid who walks through the doors of Yeshivat Tiferet Torah is nurtured to become a future gadol b'Yisrael!"*

### **Yanai Shohet** *(Deal, NJ)*

*"I feel so lucky to be in Yeshivat Tiferet Torah. I'm forever grateful for the zechut to learn in such a Makom Torah, where every Rebbe and the Rosh HaYeshiva are giving their heart and soul to help us grow in Torah and Mitzvot every day. The focus on working on our middot is something really special. It's clear how much the Hanhalah cares about each and every bachur."*

### **Yosef Hanaya** *(Deal, NJ)*

*"Coming to this Yeshiva was a big change for me and I honestly didn't know what to expect. But from the very first day, I felt like I was part of something real. The Rebbeim actually care — not just about how well you're learning, but about you as a person! They see who we could become and push us to get there, step by step. I've grown so much here in Yeshivat Tiferet Torah, not just in Torah but in my Tefillah, my middot and how I think about life in general. I feel lucky every single day that Hashem brought me to this Makom Kadosh."*
