

The background of the entire image is a close-up of a dark, ornate wrought-iron fence. The fence features intricate scrollwork and decorative elements, including a large, stylized flower-shaped ornament in the upper right and a bell-shaped ornament on the left. The background is a warm, golden-brown color, possibly representing autumn leaves or a textured surface.

YIGDAL PRESENTS

שערים

A Virtual Chinese Auction

אהב ד' שערי ציון מכל משכנות יעקב (תהילים, פ"ז)
Hashem loves the gates of ציון more than all the dwelling places of Yaakov
אוהב ד' שערים המצויינים בהלכה (ברכות ח)
Chazal say: ציון alludes to the word מצויינים – Hashem loves the gates that excel in הלכה
The חכמים who watched them grieve
Gave them solace, planted hope
Told them the שכינה would never leave
They could please ד' with the תורה alone

Today

The halls of תורה resonate
With harmony and song
With an ancient ניגון that celebrates
Discerning right from wrong

With the excitement and the spark
Late at night in the cold and dark
Warmed by the knowledge
That they are finding the של תורה אמיתה

In the הלכה of ד' אמות
They are bringing down the שכינה
Giving pleasure to ד'
This is all He wants from them

From us

When the בית המקדש stood
כלל ישראל understood
That the עבודה of the כהנים
And the music of the לויים
Were the energy that powered
the House of ד'

From there the sounds reverberated
And the Torah emanated
So the שכינה rested there
Delighting in the atmosphere

Then

An enemy from a distant land
Came and razed it to the ground
The gold was dimmed; the grandeur gone
No more קרבנות; no more song

The link that bound them to ד'
Was severed and they were bereft
How would they learn to please ד'
How would the שכינה rest on them?

Dear Friends,

As the Coronavirus has so adversely affected everyone's lives this past year, we too, at YIGDAL, have found ourselves wondering what would be the most effective way of supporting the Yeshiva Gedolah and presenting our Auction during Covid-19.

We have decided to "go virtual" as so many other auctions have done. To complement the change, we are also changing our format this year, offering amazing packages of prizes worth \$1500 to \$2000 for the low price of \$18 each.

We have tried to include an array of our usual great prizes in a new presentation and we hope that, as you peruse our auction book and website, you will see many wonderful offerings that will be too good to pass up.

We hope you will continue to be respected and appreciated partners in YIGDAL's work. Together we will assist the Yeshiva Gedolah of Detroit and help to ensure that the Torah learning that permeates the very walls of the Yeshiva continues. May Hashem look favorably on all our efforts.

Together with the Roshei Yeshiva, the rebbeim and the talmidim of the Yeshiva Gedolah, we thank you.
